## **DETAILED ACTION**

### ***Election/Restrictions***

Newly amended claims 59-63 are directed to an invention that is independent or distinct from the invention originally claimed for the following reasons: the claim is drawn to non-elected species I, which is a tandem rotor helicopter, not the tilt-rotor aircraft of elected species III.

Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claims 59-63 are withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

Newly submitted claim 66 is directed to an invention that is independent or distinct from the invention originally claimed for the following reasons: the claim is directed to non-elected species V.

Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claim 66 is withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

This application is in condition for allowance except for the presence of claims 59-63 and 66, which are directed to non-elected species without traverse. **Accordingly, claims 59-63 and 66 have been cancelled.**

Art Unit: 3644

***Allowable Subject Matter***

Claims 46-48, 50-58, and 65 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record failed to show a tilt-rotor aircraft with rotors connected to the fuselage where the rotors are independently and sequentially tiltable, are in mesh, and can be positioned so as to serve as pusher propellers.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
